

## **DRAFT Agenda - PEG Meeting #4**

### **June 25, 2025**

- 1. Welcome and Agenda (5 min)**
- 2. Project updates since last meeting (20 min)**
  - a. PEG subgroup selected Engagement Leads (February)
  - b. Engagement Leads carried out 2+ community meetings per CNC (March - May)
  - c. CAMPs developed and pre-reviewed by PEG, local air districts, CARB, and Engagement Leads
  - d. CAMPs underwent two week public review on Aclima's website at the end of May and beginning of June
- 3. Monitoring updates (20 min)**
- 4. Shaping the role of the PEG during the monitoring period (40 min)**
  - a. How can the PEG support and/or facilitate capacity building with and for Engagement Leads and other stakeholders?
  - b. Are there specific knowledge and skills we should offer Engagement Leads and other organizations to better prepare them for using the data to achieve community goals?
- 5. Data presentation planning (20 min)**
  - a. How can we best present the data in a way that is easily understood to the community?
